§ 360.25 General.

Relief, by the issue of a substitute bond or by payment, is authorized for the loss, theft, destruction, mutilation, or defacement of a bond after receipt by the owner or his or her representative. As a condition for granting relief, the Commissioner of the Public Debt, as designee of the Secretary of the Treasury, may require a bond of indemnity, in the form, and with the surety, or security, he or she considers necessary to protect the interests of the United States. § 360.26 Application for relief; after receipt of bond.

(2) If a minor named on a bond as owner, coowner, or beneficiary is not of sufficient competency and understanding to request payment, the parents or other person authorized to request payment under § 360.63 will ordinarily be required to join in the application.

(e) If the application is approved, relief will be granted either by the issuance of a bond bearing the same issue date as the bond for which the claim was filed or by the issuance of a remittance in payment.

§ 360.27 Application for relief; non-receipt of bond.

If a bond issued on any transaction is not received, the issuing agent must be notified as promptly as possible and given all information available about the nonreceipt. An appropriate form and instructions will be provided. If the application is approved, relief will be granted by the issuance of a bond bearing the same issue date as the bond that was not received. Also, relief is authorized for the issuance of bonds for which the Secretary has not received payment, in order to preserve public confidence in dealing with issuing agents.

§ 360.28 Recovery or receipt of bond before or after relief is granted.
